We are seeking new opportunities for schemes between 10-150 homes in the following areas:

- Watford
- Welwyn & Hatfield
- Dacorum
- St Albans
- Hertsmere
- Three Rivers

We will consider areas in wider Hertfordshire area if the schemes are of a significant size and include a sound proposition in terms of management and maintenance.

We are interested in joint ventures, S106 schemes, design and build packages, land acquisitions, options and promotions. We also have significant long-term funding to support larger regeneration and multi-phased strategic schemes.

Our Land & New Business team are keen to forge new relationships and build on existing partnerships.

Please don't hesitate to contact us should you want to discuss an opportunity to work together in the future.
